6.2.1 Each Party shall indemnify the other Party against any and all third party claims, costs, expenses (including reasonable attorney's fees and expenses), losses and liabilities, claimed by third parties, arising out of its products or services referenced in this Agreement, except to the extent such claims arise out of representations made by the Indemnitee which are not expressly authorized by this Agreement, or representations that are not made by the Indemnitor. This Section 6.2.1 is subject to the provisions of Section 6.4.

6.4 Limitation of Liability

EXCEPT WITH RESPECT TO THIRD PARTY INDEMNITY CLAIMS PER SECTION 6.2 ABOVE AND CLAIMS FOR BREACH OF ARTICLE VIII BELOW, IN NO EVENT WILL LAWSON, LAWSON'S THIRD PARTIES OR PARTNER BE LIABLE FOR INDIRECT, INCIDENTAL, PUNITIVE, EXEMPLARY, SPECIAL OR CONSEQUENTIAL DAMAGES, OR DAMAGES FOR LOSS OF PROFITS, REVENUE, DATA OR USE, INCURRED BY EITHER PARTY, WHETHER IN CONTRACT OR TORT, EVEN IF THE OTHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. NEITHER PARTY WILL SEEK OR APPLY FOR SUCH DAMAGES. EXCEPT WITH RESPECT TO THIRD PARTY INDEMNITY CLAIMS PER SECTION 6.2 ABOVE AND CLAIMS FOR BREACH OF ARTICLE VIII BELOW, OR BODILY INJURY OR DIRECT DAMAGE TO REAL OR TANGIBLE PERSONAL PROPERTY TO THE EXTENT CAUSED BY LAWSON'S GROSS NEGLIGENCE, LAWSON'S AND ITS THIRD PARTIES' AGGREGATE AND CUMULATIVE LIABILITY FOR DAMAGES TO PARTNER FOR THE AGREEMENT, WHETHER IN CONTRACT OR TORT, SHALL BE LIMITED TO ACTUAL DIRECT MONEY DAMAGES IN AN AMOUNT NOT TO EXCEED THE COMMISSION FEES FOR THE SPECIFIC PRODUCT(S) AT ISSUE, IF PARTNER NOTIFIES LAWSON OF THE CLAIM WITHIN ONE YEAR AFTER THE CAUSE OF ACTION AROSE. THE PARTIES WILL EACH USE REASONABLE EFFORTS TO MITIGATE THEIR DAMAGES. THESE LIMITATIONS REPRESENT THE AGREED ALLOCATION OF RISK.

ARTICLE VII OWNERSHIP, CONFIDENTIAL INFORMATION AND NONDISCLOSURE

7.1 Ownership

Lawson, or its Third Parties, owns and retains all rights, title and interest (including without limitation, all Intellectual Property Rights) in and to the Products and Other Products (including all source and object code, all related documentation, materials and Media) whether or not specifically recognized under the laws of the Territory. If Partner challenges the validity of any Intellectual Property Rights in or related to the Products or Other Products, Lawson shall be entitled to terminate this Agreement immediately upon notice to Partner.

Unless otherwise agreed upon, on a case-by-case basis, Lawson shall own all rights in any copy, modification, enhancement, or adaptation development thereof, of the Lawson Products. Partner shall own all proprietary rights in and to programs and Partner owned Products developed by Partner, excluding any portions of, or Modifications or Enhancements to, the Lawson Products incorporated therein. Lawson's Third Parties shall own all rights in any copy, modification, enhancement, or adaptation development thereof, of the respective Other Products. Subject to this Section 7.1, Partner shall obtain, at Lawson's request, the execution of any instrument that may be appropriate to perfect Lawson's rights in Lawson's name.

Nothing in this Agreement shall be construed as preventing or in any way hindering either Party from independently developing and owing, acquiring marketing, selling, licensing or otherwise disposing of, as that Party see fit, any product which performs the same or similar functions of any product of the other Party without incurring any liability of any kind to the other Party, provided the Intellectual Property Rights of the other Party, its third parties and its licensors are not violated.

Neither Party shall use the other Party's Products for any purpose, or make the other Party's Products available to third parties other than as provided by this Agreement or under separate agreement between the Parties.

7.2 Confidential Information

It is expected that the Parties may disclose to each other certain information which may be considered confidential and trade secret information. All confidential information belonging to one Party and disclosed to the other Party shall remain solely the property of the disclosing Party, and its confidentiality shall be maintained and protected by the recipient with the same effort used to protect its own confidential information, which degree of effort shall in any event be non-negligent. The Parties agree further not to use each other's confidential information for any purpose other than as contemplated by this Agreement.

Partner acknowledges that the Price List, Products and Other Products incorporate confidential and proprietary information developed or acquired or licensed by Lawson or its Third Parties ("Information") and that Partner shall ensure that its Employees preserve the confidentiality of the Information by taking such steps as those taken by Partner to protect its own confidential information, and those which Lawson may reasonably request from time to time.

Partner shall not allow the removal or defacement of any confidentiality or proprietary notice placed on the Products or Other Products or other items of Information. The placement of copyright notices on these items shall not constitute publication or otherwise impair their confidential nature.

7.3 Nondisclosure

Partner shall not disclose, in whole or in part, the source or object code of the Products or Other Products, or any other item of Information bearing a confidentiality notice, to any individual, entity or other person, except (i) to Customers who have executed a Customer License, (ii) to those of Partner's Employees who require access to perform the obligations under this Agreement, or (iii) or to a third party to the extent it is necessary to obtain information for the purposes of developing the Interface between the Products and software other than that provided by Lawson. Partner shall inform Lawson in writing prior to its disclosure to any third party. Lawson may require the third party to acknowledge, in writing, the terms upon which it is lawfully permitted to have access to the Product. In any event, no disclosure shall take place until Lawson's written approval of disclosure to the third party has been forthcoming, such approval to not be unreasonably withheld.

Partner shall have no confidentiality obligations with respect to any portion of the Information that Partner (i) independently knew or developed before receiving the Products, Other Products, or Information from Lawson, (ii) lawfully obtained from a third party under no obligation of confidentiality, or (iii) lawfully obtained as a result of becoming available to the public other than as a result of an act or omission of Partner, any of its Employees, or its Customers.

7.4 Unauthorized Use or Disclosure

Partner acknowledges that any unauthorized use or disclosure of the Products, Other Products, or other items of Information may cause irreparable damage to Lawson or Lawson's Third Parties. If an unauthorized use or disclosure occurs through its or its third party's actions, Partner shall promptly notify Lawson and take, at Partner's expense, all steps which are mutually agreed upon to recover the Products, Other Products, or Information and to prevent its subsequent unauthorized use or dissemination, including availing itself of appropriate actions for seizure and injunctive relief. If Partner fails to take these steps in a timely and adequate manner, Lawson may take them in its own or Partner's name and at Partner's expense.

ARTICLE VIII MARKS

8.1 Ownership

Lawson, or its Third Parties, owns and retains all rights and interest in and to their respective Marks whether or not specifically recognized under the laws of the Territory. If Partner challenges the validity of any of the Marks, Lawson shall be entitled to terminate this Agreement immediately upon notice to Partner. Partner shall not register, directly or indirectly, any trademark, service mark, trade name, copyright, company name or other proprietary or commercial right which is identical or confusingly similar to the Marks.

8.2 Use

Partner shall use the Marks exclusively to advertise and promote the Products within the Territory, and all advertisements and promotional Materials shall (i) clearly identify Lawson or its Third Party as the owner of the Marks, (ii) conform to Lawson's, or its Third Party's, then-current trademark and logo guidelines, and (iii) otherwise comply with any local notice or marking requirement contemplated under the laws of the Territory.

Before publishing or disseminating of any advertisement or promotional Materials bearing a Lawson Mark, Partner shall deliver a sample of the advertisement or promotional Materials to Lawson for prior written approval. If Lawson notifies Partner that the use of the Mark is inappropriate, Partner shall not publish or otherwise disseminate the advertisement or promotional Materials until they have been modified to Lawson's satisfaction.

Lawson may use the Marks of the Partner to advertise and promote the Products within the Territory, and all advertisements and promotional materials so long as Lawson complies with the Partners trademark and logo guidelines as provided to Lawson by the Partner.

8.3 Infringement of the Marks

Partner shall immediately notify Lawson if Partner learns (i) of any potential infringement of the Marks by a third party; or (ii) that the use of the Marks within the Territory may infringe the proprietary rights of a third party. Lawson shall determine the steps to be taken under these circumstances. Partner shall provide Lawson with the assistance that Lawson may reasonably request and take no steps on its own without Lawson's prior written approval.

ARTICLE IX

The Parties are each independent contractors and neither Party shall be, nor represent itself to be, the franchisor, franchisee, broker, employee, employer, legal partner, joint venturer, servant, agent, fiduciary or legal representative of the other Party for any purpose whatsoever. Neither Party is granted any right or authority to assume or create any obligation or responsibility, express or implied, on behalf of or in the name of the other Party, or to bind the other Party in any matter or thing whatsoever, including, without limitation, the right or authority to obligate the other Party to accept or deliver any order, or to sell or refuse to sell to any customer. Any attempted assignment, transfer, or subcontract in violation of this Section 9.2 shall be void.

9.3 Force Majeure

Neither Party shall be in default by reason of any failure in performance of this Agreement, in accordance with the terms of this Agreement, if such failure arises out of causes beyond the reasonable control and without the fault or negligence of such Party. The Parties agree to terminate this Agreement effective immediately upon notice to the other if such a cause of Force Majeure exists for more than one hundred-eighty (180) consecutive days. Such period shall be calculated from the date of the cause of Force Majeure.

The waiver of one breach or default hereunder shall not constitute the waiver of any subsequent breach or default.

The amount shall be equal to fifty (50) percent of the annual salary in effect at the date the employee was solicited. For purposes of this Section 9.12, the term "employee" means current or former employees of the other Party who were employed by the other Party at any time during the Term of this Agreement. This Section 9.12 shall not prevent an employee of either Party from pursuing or securing opportunities with the other Party on such employee's own initiative.

9.13 Limitations on Export

9.13.1 Notwithstanding any other provision of this Agreement, and regardless of any disclosure made by Partner to Lawson of an ultimate destination of any of the Products or Other Products, or derivatives thereof, Partner shall not export, re-export or transfer, directly or indirectly,

9.13.2 Partner shall comply with any applicable U.S. rules, regulations and laws including, without limitation, the U.S. Foreign Corrupt Practices Act and the export control and anti-boycott rules, regulations and laws administered by the U.S. Commerce Department, State Department and Treasury Department. Partner shall also comply with any applicable export or import rules, regulations and laws of any countries in its export, re-exports or imports of Products or Other Products or any derivatives thereof.

9.14 Entire Agreement

This Agreement, the Exhibits referred to herein, and the licenses referred to herein, together with any addenda signed by the Parties (collectively, the "Agreement"), constitute the entire agreement between Lawson and Partner with respect to the Products and Other Products, Support, and other subject matter of this Agreement, and may only be modified by a written amendment or addendum signed by both Lawson and Partner. No employee, agent, or other representative of either Lawson or Partner has authority to bind the other with regard to any statement, representation, warranty, or other expression unless it is specifically included within the express terms of this Agreement or a written addendum signed by both Lawson and Partner. All purchase orders, prior agreements, representations, statements, proposals, negotiations, understandings, and undertakings with respect to the subject matter of this Agreement are superseded by this Agreement.
